

KOJO Curved Shower Curtain Rods for a More Comfortable Shower Experience

The KOJO Curved Shower Rods offer real elbow room by curving in 3" at the corners to eliminate leaks and curving outward 6" creating 25% more elbow room for your guests comfort. Perfect for most shower enclosures, and tubs, even oval tubs. These rods will enhance your guest's shower experience, increasing loyalty and ultimately improving your bottom line.

Available in White, Polished Stainless Steel & Brushed Nickel . All the required mounting hardware is included - wood screws, tile anchors, sheetrock anchors, set screws & an allen wrench. KOJO Curved Shower Rods use standard length shower curtains and are easy to install.

**KOJO also offers a great selection of shower curtains,
including the innovative Peek-A-Boo
& Quick Zip Shower Curtains**
